**Subject:** Resolution Approving an Interlocal Agreement with the Miami-Dade Expressway Authority (MDX) for the Exchange of Perpetual Easements to Allow for Construction of Improvements by MDX; Authorizing the Transfer of Portions of Certain Roadways to MDX and Acceptance of Certain Roadways from MDX on or Adjacent to NW 12 Street Between NW 87 Avenue and NW 82 Avenue in Miami-Dade County; Authorizing the Mayor or Mayor's Designee to Execute Said Agreement in Accordance with Section 335.0415 of the Florida Statutes and to Perform All Acts Necessary to Effectuate Same

---

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of an Interlocal Agreement (Agreement) between Miami-Dade Expressway Authority (MDX) and Miami-Dade County (County) for the exchange of perpetual easements, authorizing the transfer of portions of certain roadways to MDX and allowing MDX to construct certain improvements in connection with a road project extending between NW 78 Avenue and NW 89 Court (Project); authorizing the County Mayor or County Mayor's designee to execute said Agreement in accordance with Section 335.0415 of the Florida Statutes; and directing the County Mayor or Mayor's designee to prepare a right-of-way map and to record same in the public records.

## **Scope**

The impact of this project is countywide and this property is located within Commissioner Jose "Pepe" Diaz's District 12.

## **Fiscal Impact/Funding Source**

The total cost to construct the Project is approximately \$65 million and will be funded by MDX. The fiscal impact to the County will be in the additional maintenance costs for the expanded NW 12 Street, estimated at \$960.00 annually and funded through the Public Works and Waste Management Department's (PWWM) General Fund allocation.

## **Track Record/Monitor**

PWWM is the entity overseeing this project and the person responsible for monitoring it is Mr. Leandro Ona, P.E., Chief of the PWWM Roadway Engineering and Right-of-Way Division.

## **Background**

MDX proposes to improve State Road No. 836 (SR 836), Roadway project No. 83629, in Miami-Dade County. In connection with said project, MDX is improving the NW 87 Avenue interchange, including a new flyover ramp from westbound NW 12 Street to westbound SR 836.

Additionally, MDX has determined that in order to improve vehicular traffic flow and safety, NW 12 Street needs to be widened from NW 87 Avenue to NW 82 Avenue.

The County owns, operates and maintains NW 12 Street between NW 78 Avenue and NW 89 Court. Significant roadway work on, adjacent to, and in the immediate vicinity of NW 12 Street is to be undertaken by MDX in order to complete the Project. The County agrees that NW 12 Street should be improved within the project limits to increase its capacity, harmonize with the planned project, and improve access to and interconnectivity of area roadways. In order to build said improvements, it is necessary that certain County-owned lands be acquired by MDX pursuant to the conveyance of a perpetual easement and that certain MDX-owned lands be acquired by the County pursuant to the conveyance of a perpetual easement.

To accomplish the foregoing, the parties desire to enter into an Interlocal Agreement whereby MDX and the Florida Department of Transportation will jointly convey to the County a perpetual easement transferring operation and maintenance of portions of MDX right-of-way to the County after construction of improvements to NW 12 Street. The County will convey to MDX a perpetual easement for construction, operation and maintenance of portions of NW 12 Street needed for the new access ramp from westbound NW 12 Street to westbound SR 836. MDX will have sole responsibility for the costs of construction of this Project as well as all other expenses. This transfer will be effectuated by the approval of the transfers by the Secretary of the Department of Transportation, as well as by the recordation of right-of-way maps, depicting the areas transferred, in the public records of Miami-Dade County.
